IMPERIAL

MAKE YOUR EVENT AS MEMORABLE AS OUR SPACE

Most venues fade into the background. Base One doesn't. Here, your guests walk past active labs and share the Cafe with founders and researchers. Whether it's a conference, a launch or a board meeting, your event takes on the energy of a building where new ideas are tested every day.

WELL CONNECTED. STRATEGICALLY PLACED.

BASEONE CAFE

Base One Cafe is the heart of our ecosystem, a daily destination for our onsite innovators and the public, and a central driver of energy, connection and community within the building.

We are all about uniting people through food.

We don't have a one-size-fits-all approach. Big plates, small plates, the classics, street style food, experiential food.

Menus change seasonally, offering fresh, nourishing food that supports energy, focus and performance, while remaining quick to serve.

With the event space sitting directly opposite the cafe and access through to the garden, service can flow seamlessly through your day: breakfast at the entrance each morning, catering for meetings as the day gets going, lunch served through into events and evening activation in the garden.
